Beginning Farmer Tax Credit Program

AG-TC #17-14, Beginning Farmer Tax Credit Program

The Agricultural Assets Transfer Tax Credit commonly referred to as the Beginning Farmer Tax Credit (BFTC) program allows agricultural asset owners to earn tax credits for leasing their land, equipment and/or breeding livestock to beginning farmers. Leases must be for terms of 2-5 years. The tax credit for cash rent leases is 7% of the amount of the rent. The tax credit for crop share leases is 17%. There is an additional 1% tax credit if the beginning farmer is also a veteran. Maximum tax credit for any one asset owner is \$50,000 per year. The maximum amount of tax credits allocated cannot be more than \$12 million in any one year. Attached are the BFTC applications reviewed last month. The IADD Board has recommended approval.

WHEREAS, the Iowa Finance Authority (the “Authority”) is a public instrumentality and agency of the State of Iowa established and empowered by the provisions of Chapter 16 of the Code of Iowa (together, the “Act”) to issue its negotiable bonds and notes for the purpose of financing in whole or in part the acquisition by construction or purchase of Agricultural Land, Agricultural Improvements, or Depreciable Agricultural Property by a Beginning Farmer; and

WHEREAS, the Authority has received and has approved an Application from the Beginning Farmer identified on Exhibit A hereto (the “Beginning Farmer”) to issue its Agricultural Development Revenue Bond (the “Bond”) in the principal amount identified on Exhibit A hereto (the “Principal Amount”) to assist the Beginning Farmer in the acquisition from the Seller identified on Exhibit A hereto (the “Seller”) of the Project identified on Exhibit A hereto (the “Project”); and

WHEREAS, in order to assist the Beginning Farmer in the acquisition of the Project, it is proposed that the Authority enter into a Contract (the “Contract”) with the Seller setting forth terms and conditions agreeable to the Seller, the Authority and the Beginning Farmer including terms providing for interest on the unpaid principal balance at a rate lower than those available in the conventional farm credit market, and the Authority has agreed to issue the Bond to evidence its payment obligations under the Contract; and

WHEREAS, the Beginning Farmer and the Seller have finalized terms for the acquisition of the Project by the Beginning Farmer and purchase price of the Project in periodic payments over the term of the Contract; and

WHEREAS, the Seller, the Authority and the Beginning Farmer will enter into a Guarantee, Assignment and Assumption Agreement (the “Guarantee”) providing, among other things, for the assignment by the Authority of all its rights, title and interest in and to the Project and the Contract to the Beginning Farmer, the assumption of the obligations of the Authority under the Contract by the Beginning Farmer and the unconditional guarantee by the Beginning Farmer of the payment of the principal of, premium, if any, and interest on the Bond and other amounts due and payable under the Contract and the Guarantee, and

WHEREAS, it is necessary and advisable that provisions be made for the issuance and delivery of the Bond as authorized and permitted by the Act;

NOW, THEREFORE, BE IT RESOLVED by the Iowa Finance Authority, as follows:

Section 2. Authorization of the Contract and the Bond. The Bond and the interest thereon and the Contract do not and shall never constitute an indebtedness of or a charge either against the State of Iowa or any subdivision thereof, including the Authority, within the meaning of any constitutional or statutory debt limit, or against the general credit or general fund of the Authority, but are limited obligations of the Authority payable solely from the payments and other amounts derived from the Guarantee and the Project and shall be secured by the Guarantee. By the terms of the Guarantee, the Beginning Farmer is required to make payments (the "Contract Payments") under the Contract sufficient to pay the unpaid balance thereof and accrued interest thereon. The Contract Payments are sufficient to pay the principal of and interest on the Bond when and as due.

The Guarantee is approved and the Executive Director is directed to execute the same in the name and on behalf of the Authority and to deliver the same to the Seller and the Beginning Farmer.

Section 5. Filing of Resolution and Guarantee. The Executive Director is authorized and directed to file a copy of this resolution and the Guarantee with the Iowa Secretary of State pursuant to Sections 16.26(7) and 175.17(7) of the Act to evidence the pledge of or grant of a security interest, in the revenues to be received under the Contract, by the Authority to the Seller, and the assignment of all of the Authority's rights in the Contract, by the Authority to the Beginning Farmer.

Section 6. Forfeiture; Acceleration of Principal and Interest. If the Contract is forfeited in accordance with its terms, the obligations of the Authority under the Bond shall cease and the Bond

shall be canceled. If the payment of the unpaid principal under the Contract is accelerated in accordance with the terms of the Contract, the Seller may declare the entire outstanding principal amount of the Bond and the interest accrued thereon immediately due and payable and such principal and interest shall thereupon become immediately due and payable.

Section 7. Satisfaction and Discharge. When all amounts now or hereafter payable under the Bond, the Contract, the Guarantee and this Resolution have been paid in full (or provision for their payment shall have been made to the mutual satisfaction of the Beginning Farmer, the Seller and the Authority) all rights and obligations of the Beginning Farmer the Authority and the Seller under the Guarantee, the Contract, the Bond and this Resolution shall terminate and such instruments shall cease to be of further effect and the Seller shall cancel the Bond and deliver it to the Authority, cancel the Contract and deliver it to the Beginning Farmer and the Seller and the Beginning Farmer and the Authority shall execute and deliver all appropriate instruments evidencing and acknowledging the satisfaction of such documents as may be required.

A Resolution authorizing the issuance and sale of an Agricultural Development Revenue Bond to finance the acquisition of a Project by a Beginning Farmer; the execution of a Financing Agreement providing the terms and sale of such Bond and for the repayment of the loan of the proceeds of such bond; and related matters.

WHEREAS, the Iowa Finance Authority (the “Authority”) is a public instrumentality and agency of the State of Iowa established and empowered by the provisions of Chapter 16 of the Code of Iowa (together, the “Act”) to issue its negotiable bonds and notes for the purpose of financing in whole or in part the acquisition by construction or purchase of Agricultural Land, Agricultural Improvements, or Depreciable Agricultural Property by a Beginning Farmer; and

WHEREAS, the Authority has received and has approved an Application from the Beginning Farmer identified on Exhibit A hereto (the “Beginning Farmer”) to issue its Agricultural Development Revenue Bond (the “Bond”) in the principal amount identified on Exhibit A hereto (the “Principal Amount”) to finance the acquisition of the Project identified on Exhibit A hereto (the “Project”); and

WHEREAS, it is necessary and advisable that provisions be made for the issuance of the Bond in the Principal Amount as authorized and permitted by the Act to finance the cost of the Project to that amount; and

WHEREAS, the Authority will loan the proceeds of the Bond to the Beginning Farmer pursuant to the provisions of a Financing Agreement among the Authority, the Bond Purchaser identified in Exhibit A hereto (the “Lender”) and the Beginning Farmer (the “Agreement”), the obligation of which will be evidenced by a Promissory Note the repayment of which will be sufficient to pay the principal of, redemption premium, if any, and interest on the Bond as and when the same shall be due and payable; and

WHEREAS, the Bond will be sold to the Lender pursuant to and secured as provided by the Agreement; and

NOW, THEREFORE, BE IT RESOLVED by the Iowa Finance Authority as follows:

Section 1. The Project Consistent with the Act. It is hereby determined that the Project, as described in the representations and certifications of the Beginning Farmer in the Application to the Authority and in the Agreement qualifies under the Act for financing with the proceeds of the Bond, and further, it is found and determined that the financing of the Project will promote those public purposes outlined in the Act.

Section 2. Authorization of the Bond. In order to finance the cost of the Project, the Bond shall be and the same is hereby authorized, determined and ordered to be issued in the Principal Amount. The Bond shall be issued as a single Bond in fully registered form, transferable only in accordance with its terms, and shall be dated, shall be executed, shall be in such form, shall be payable, shall have such prepayment provisions, shall bear interest at such rates, and shall be subject to such

other terms and conditions as are set forth in the Agreement and the Bond. However, if so requested by the Beginning Farmer and the Lender, the Chairman or Vice Chairman is hereby empowered to adjust the Principal Amount of the Bond and any of the other terms and conditions as set forth therein or in the Agreement, to an amount or in such manner as is mutually acceptable to the Lender and the Beginning Farmer, provided that the principal amount of the Bond after adjustment is never more than the Principal Amount. In the event such adjustments are made, they shall be set forth in the Agreement. The Bond and the interest thereon do not and shall never constitute an indebtedness of or a charge either against the State of Iowa or any subdivision thereof, including the Authority, within the meaning of any constitutional or statutory debt limit, or against the general credit or general fund of the Authority, but are limited obligations of the Authority payable solely from revenues and other amounts derived from the Agreement and the Project and shall be secured by an assignment of the Agreement and the revenues derived therefrom to the Lender. Forms of the Bond and the Agreement are before this meeting and are by this reference incorporated in this Bond Resolution, and the Secretary is hereby directed to insert them into the minutes of the Authority and to keep them on file.

Section 3. Agreement; Sale of the Bond. In order to provide for the loan of the proceeds of the Bond to the Beginning Farmer to finance the Project and the payment by the Beginning Farmer of amounts sufficient to pay the principal of, premium, if any, and interest on the Bond, and in order to provide for the sale of the Bond to the Lender and the conditions with respect to the delivery thereof, the Executive Director shall execute in the name and on behalf of the Authority the Agreement in substantially the form submitted to the Authority, which is hereby approved in all respects. However, the Executive Director is empowered to amend the Agreement prior to the execution thereof to conform the same to any adjustments of the Principal Amount or other provisions of the Bond as authorized in Section 2 hereof. The sale of the Bond to the Lender is hereby approved and the Chairman or Vice Chairman and Secretary of the Authority are hereby authorized and directed to execute and deliver the Bond to the Lender. Payment by the Lender of the purchase price, namely the Principal Amount, or such lesser amount as determined by the Chairman or Vice Chairman pursuant to Section 2 hereof, in immediately available funds in accordance with the Agreement shall constitute payment in full for the Bond. The Lender shall immediately deposit such purchase price to the account or credit of the Beginning Farmer in accordance with the Agreement to effect the making of the loan of the proceeds of sale of the Bond to the Beginning Farmer pursuant to the Agreement.

Section 4. Repayment of Loan. The Agreement requires the Beginning Farmer in each year to pay amounts as loan payments sufficient to pay the principal of, redemption premium, if any, and interest on the Bond when and as due and the payment of such amounts by the Beginning Farmer to the Lender pursuant to the Agreement is hereby authorized, approved, and confirmed.

Section 5. Filing of Agreement. The Executive Director is authorized and directed to file a copy of this resolution and the Agreement with the Iowa Secretary of State pursuant to Sections 16.26(7) and 175.17(7) of the Act to evidence the pledge of or grant of a security interest, in the revenues to be received under, and all of the Authority's interests in the Agreement, by the Authority to the Lender.

A Resolution authorizing the issuance and sale of an Agricultural Development Revenue Bond to finance the acquisition of a Project by a Beginning Farmer; the execution of a Financing Agreement providing the terms and sale of such Bond and for the repayment of the loan of the proceeds of such bond; and related matters.

WHEREAS, the Iowa Finance Authority (the “Authority”) is a public instrumentality and agency of the State of Iowa established and empowered by the provisions of Chapter 16 of the Code of Iowa (together, the “Act”) to issue its negotiable bonds and notes for the purpose of financing in whole or in part the acquisition by construction or purchase of Agricultural Land, Agricultural Improvements, or Depreciable Agricultural Property by a Beginning Farmer; and

WHEREAS, the Authority has received and has approved an Application from the Beginning Farmer identified on Exhibit A hereto (the “Beginning Farmer”) to issue its Agricultural Development Revenue Bond (the “Bond”) in the principal amount identified on Exhibit A hereto (the “Principal Amount”) to finance the acquisition of the Project identified on Exhibit A hereto (the “Project”); and

WHEREAS, it is necessary and advisable that provisions be made for the issuance of the Bond in the Principal Amount as authorized and permitted by the Act to finance the cost of the Project to that amount; and

WHEREAS, the Authority will loan the proceeds of the Bond to the Beginning Farmer pursuant to the provisions of a Financing Agreement among the Authority, the Bond Purchaser identified in Exhibit A hereto (the “Lender”) and the Beginning Farmer (the “Agreement”), the obligation of which will be evidenced by a Promissory Note the repayment of which will be sufficient to pay the principal of, redemption premium, if any, and interest on the Bond as and when the same shall be due and payable; and

WHEREAS, the Bond will be sold to the Lender pursuant to and secured as provided by the Agreement; and

NOW, THEREFORE, BE IT RESOLVED by the Iowa Finance Authority as follows:

Section 1. The Project Consistent with the Act. It is hereby determined that the Project, as described in the representations and certifications of the Beginning Farmer in the Application to the Authority and in the Agreement qualifies under the Act for financing with the proceeds of the Bond, and further, it is found and determined that the financing of the Project will promote those public purposes outlined in the Act.

Section 2. Authorization of the Bond. In order to finance the cost of the Project, the Bond shall be and the same is hereby authorized, determined and ordered to be issued in the Principal Amount. The Bond shall be issued as a single Bond in fully registered form, transferable only in accordance with its terms, and shall be dated, shall be executed, shall be in such form, shall be payable, shall have such prepayment provisions, shall bear interest at such rates, and shall be subject to such

other terms and conditions as are set forth in the Agreement and the Bond. However, if so requested by the Beginning Farmer and the Lender, the Chairman or Vice Chairman is hereby empowered to adjust the Principal Amount of the Bond and any of the other terms and conditions as set forth therein or in the Agreement, to an amount or in such manner as is mutually acceptable to the Lender and the Beginning Farmer, provided that the principal amount of the Bond after adjustment is never more than the Principal Amount. In the event such adjustments are made, they shall be set forth in the Agreement. The Bond and the interest thereon do not and shall never constitute an indebtedness of or a charge either against the State of Iowa or any subdivision thereof, including the Authority, within the meaning of any constitutional or statutory debt limit, or against the general credit or general fund of the Authority, but are limited obligations of the Authority payable solely from revenues and other amounts derived from the Agreement and the Project and shall be secured by an assignment of the Agreement and the revenues derived therefrom to the Lender. Forms of the Bond and the Agreement are before this meeting and are by this reference incorporated in this Bond Resolution, and the Secretary is hereby directed to insert them into the minutes of the Authority and to keep them on file.

Section 3. Agreement; Sale of the Bond. In order to provide for the loan of the proceeds of the Bond to the Beginning Farmer to finance the Project and the payment by the Beginning Farmer of amounts sufficient to pay the principal of, premium, if any, and interest on the Bond, and in order to provide for the sale of the Bond to the Lender and the conditions with respect to the delivery thereof, the Executive Director shall execute in the name and on behalf of the Authority the Agreement in substantially the form submitted to the Authority, which is hereby approved in all respects. However, the Executive Director is empowered to amend the Agreement prior to the execution thereof to conform the same to any adjustments of the Principal Amount or other provisions of the Bond as authorized in Section 2 hereof. The sale of the Bond to the Lender is hereby approved and the Chairman or Vice Chairman and Secretary of the Authority are hereby authorized and directed to execute and deliver the Bond to the Lender. Payment by the Lender of the purchase price, namely the Principal Amount, or such lesser amount as determined by the Chairman or Vice Chairman pursuant to Section 2 hereof, in immediately available funds in accordance with the Agreement shall constitute payment in full for the Bond. The Lender shall immediately deposit such purchase price to the account or credit of the Beginning Farmer in accordance with the Agreement to effect the making of the loan of the proceeds of sale of the Bond to the Beginning Farmer pursuant to the Agreement.

Section 4. Repayment of Loan. The Agreement requires the Beginning Farmer in each year to pay amounts as loan payments sufficient to pay the principal of, redemption premium, if any, and interest on the Bond when and as due and the payment of such amounts by the Beginning Farmer to the Lender pursuant to the Agreement is hereby authorized, approved, and confirmed.

Section 5. Filing of Agreement. The Executive Director is authorized and directed to file a copy of this resolution and the Agreement with the Iowa Secretary of State pursuant to Sections 16.26(7) and 175.17(7) of the Act to evidence the pledge of or grant of a security interest, in the revenues to be received under, and all of the Authority's interests in the Agreement, by the Authority to the Lender.
